

Habiba Ehab

UI / UX Designer

Experienced Senior UX/UI Designer with 5+ years of hands-on experience in crafting user-centered web and mobile interfaces. Skilled in user research, prototyping, and high-fidelity design using Figma, Adobe Creative Suite, and industry-standard tools. Strong background in visual design and motion graphics, with a keen eye for detail and a passion for intuitive user experiences. Proven success working with Saudi clients and collaborating with cross-functional teams in fast-paced, Agile environments.
